XDDDDD, dude the title is HOW TO EMBED A BACKDOOR IN A PDF FILE and its on a pdf file, well done.

ps: Don't open it

**7** - August 19, 2020, 7:15 am

Looking forward to reading this. I hope it contains exactly what I am looking for

Oh the download doesnt exist. What a shame. I was truly hoping you had backdoored this PDF so I could reverse engineer the malware and demonstrate a lesson. But it appears to be taken down... shame. If anyone has a copy I would love it!! Thanks

It does exist... I downloaded it ?

anyways here's the link ( use a vm or something )
