Thread: [Autopilot - \\$20 Dollars a month for doing nothing](#)

Brendico - August 17, 2020, 1:44 pm

Heres a method that earns you money for basically doing nothing. Okay yes its not millions but its free and its something at the end of the day.

Setup only takes 2 minutes and then you can just leave it doing all the work for you. After 30 days BOOM \$20 for nothing and you can keep going and going

Just message me for more information

Also if your a newbie to anything like this.... This is the one for you! ??
