Hi,

What is your favorite firearm?

Personally my favorite pistol is a m1911 and assault rifle the AK47.

What about yours?

.44 magnum, my uncle had one, all blacked out, rubberized grip. Shot amazing.

If I ever get a gun this will be it.

Bacardi Cola Lime - August 17, 2020, 3:13 pm

Ak47 and a revolver. Both are iconic and have something that makes them unique.

Dopamine - August 17, 2020, 3:20 pm

I live in Canada so I can't relate.

Tbh I always wondered why the U.S.A let everyone buy guns so easily.

I want to thank Counter Strike for the preference to this weapon.

Nima304 - August 17, 2020, 3:23 pm

Definitely the AR-15. It's simple, robust, extremely versatile, customizable, and lethal.

Silent hill - August 17, 2020, 3:26 pm

mine are the deagle + glock since it's easy to put inside your pants :)

RIP Juice WRLD - August 17, 2020, 3:43 pm

raccoonweeweesucker69 - August 17, 2020, 3:44 pm

Who doesn't love the ak, but glock is very convenient.

The sheer amount of guns in the USA is astounding.

I like crossbows and archery in general.

In a end of the World scenario i think people will run out of amnos rather quickly and who will have a recurve crossbow will be always decent armed. Because arrows can be reused and arrows are even easy to build from schratch.

Recurve crossbow due to its easy maintenance compared with more powerful wheels and cables ones.

I image some scenario like in the movie Hunger Games

I'm from The Netherlands, we aren't allowed to have any more firepower than a 9mm and then you need to be licensed. I went and go to Poland to shoot.

Artisan - August 18, 2020, 5:12 am

Uzi submachine gun. One would be cool but 2 would be more awesome. Theyre small, light weight and easy to dual wield.

bluud - August 18, 2020, 5:14 am

AS Val (only know of it from Tarkov, but it is a clean ass gun.)

Your own government just recently shit all over your gun rights for no reason. I feel bad for you.

Freedom baby! pew pew pew pew.

My favorites are:

- Ruger P95
- Walther PPS 9mm
- Anderson Arms lower with AP upper that I SBR'd with a brace

The ar pistol being my favorite.
