No reply nothing i really dont want to waste anymore time. I already told i need things faster and i gave you enough time even though your trying to prolong things much further with excuses.. And you stopped updating me things now.

Really good.

Proceed with refund.

Thanks.

He has 11 other open disputes and just took a vacation ban. Dont expect to see your money or work and check open disputes of people you deal with in the future.

Your funds are lost OP.
