[contract=tid]Start Contract[/contract]

taap - August 19, 2020, 10:17 am

I've purchased the first copy of Hulks CPA Mentoring. I'll frequently update this post with a detailed review of his mentoring, from start to end. Setup, methods, niches, traffic etc.

I will also update with proof of earnings of course.

Update:

OP started mentoring me day after my purchase. I wasn't very impressed by his mentoring, he kept it very short and pretty much seemed to just wanted to have me pick a niche so he can start code the landing page. Once we got there, he said he'll need 3-4 days to code the landing page. I yet haven't received any landing page & seller has been unresponsive for 3 days now. Not sure what's going on but seems like I'll have to dispute the contract.

To anyone interested in this, I suggest you wait until it's confirmed why seller isn't responding.

I purchased the mentoring after chatting with Hulk yesterday and just now I had the first session of mentoring with him. He was very helpful and explained things in easy way to understand. He also shared some tips that i found interesting.

To be honest I am motivated after the session. Throughout the session he provided guidance on what to do and now i'm doing the preparation & set up work and hopefully in a couple of days I can complete the preparation and start making some good earnings.

Looking forward to getting good result from this mentoring :)

I'm glad you like it so far.

So far 3 users bought in and 1 slot is reserved until tomorrow.

There's currently 1 slot left unless the reserved slot isn't purchased tomorrow.

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

Are you going to re-open the spots after you're done with the current students?

Freelance52 - August 21, 2020, 4:38 am

I'd be interested in this method if we could set up some sort of payment plan. Say, \$200 upfront and then \$250 with a middleman which is released on proof of method working.

Most likely not, even if I will reopen it will be in couple of months.

We can work out a plan if you are really interested, send me a PM and we can discuss further.

Edit: 4th slot sold, the reserved slot was not purchased, so there's 1 last slot available, if interested, send me a message to discuss further.

I cover all traffic sources. When we start, we go through all kind of niches and traffic sources, the buyer lets me know how much he can invest and after that, I give him available options, explain them how each traffic roughly works, how long it takes and what are possible earnings of that method.

Hulk - August 23, 2020, 3:28 am

If anyone is interested in the last slot, send me a private message so we can discuss all about it, options, further investment, estimated earnings and if you don't know much about CPA, I'll explain you how it works first so you can decide if that's something you want to do before doing the deal.

One slot left, putting down the price of last slot to \$400 for the next 6 hours.

Closing sales thread tomorrow even if slots no filled. Contact before initiating contract to get more details.
