?Starfire? - August 20, 2020, 4:32 am

Brutally truthful lol. But yeah if people were making \$2000+ a day they probably wouldn't give a f*ck if you bought their ebook or not, or even bother making an ebook when they already have a great money making method lol.

SIM-1232764 - August 20, 2020, 5:14 am

I added pictures and s*** but its it's still impossible to make money from it XD

Geass - August 20, 2020, 5:54 am

Yeah I saw this right when I woke up.

Starting the day with a laugh is always good.

Nima304 - August 20, 2020, 7:25 am

If you're making ridiculous amounts of money, you aren't going to share your method to other people. It's that simple.

There's some pretty good old school HF videos out there. If you come across the one with Hitler and Omni banning someone, that is worth a watch.

MarvinMalware - August 20, 2020, 8:04 am

Seen this dozens of times, still gets me every time lmao.

Blockonome - August 20, 2020, 8:27 am

Ahahaha I am still quite new here, and really not sure whether or not the ebooks work from here!

Free Kurdistan - August 20, 2020, 8:44 am

That's the story behind 90% of the e-books sold here sadly.

Aeowulf - August 20, 2020, 8:49 am

This gets the Quick Love.

MightyOne - August 20, 2020, 8:54 am

what does spinning a thread means? but holy shit, this is some high quality video! its right on point. i really doubt any people who buy ebooks here make real money from it. anyone who had a good method wouldn't sell it until it got saturated. unless he hates money

Pink Floyd - August 20, 2020, 9:04 am

Re-surfaced LOL,
Still gets me hahahahahahaha.

Only if you give up because you don't have time or you need fast cash it could be legit.

Most (I don't say all) sell one "part" or just a average method.

?roye - August 20, 2020, 12:31 pm

Lmao it's my first time watching this, pretty funny.
