I find pricing very steep for a service that uses aimbots, i can get an aimbot myself for less and get an even bigger result.

Not everyone can buy a Aimbot i seen some offer \$15-\$20 a win so my prices are cheap.

hey broski, what provider ya using?

HighEndEmpire - January 10, 2021, 3:01 am

Hey OP nice service.

Given that this isn't an automatic/systematic process I think the pricing is fair.

GLWS!

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
