A User - September 7, 2020, 10:48 am

Guy claims to sell 500+ codes a day, yet not a single vouch lmao. Also said it will take 30-45 mins to get the key, why not instantly? Real sketchy.

Guy 'doesn't except PayPal', funny how he didn't upload the SS of these messages... DWC.

Hello

I am a human like you and I am not online 24 hours a day! I spend some time to eat, cook, do outside works, personal matters etc! So sometimes the delivery might have some delays!

I told you this before making any payment!

Be careful when dealing with OP. He will try to charge you \$50 when his thread states \$35 or \$40

MichaelPhelps - October 21, 2020, 9:29 am

Is this like a student code? What will it show up as once redeemed? Can it apply to any account regardless of history?

Asking because I used a code on my account years ago when I was a student/teacher.

sportyloc107 - November 6, 2020, 8:41 pm

why does thread say \$35 then you inbox and try to sell in bulk for \$80 a piece? this doesnt make any sense.

EnG1ne - November 7, 2020, 11:19 am

So what's the actual price, 40\$ or 35\$?

Amin.Rezaeian70 - November 7, 2020, 11:37 am

Noteeee:

Guys Updated price at the moment is 85\$

deton8r - November 16, 2020, 4:01 am

r????o????o??????t - November 18, 2020, 8:55 am
