How To Enter:

Everyone wishing to enter this giveaway will need to do a few things. The first thing being quick loving the post. The second criteria to enter the giveaway would be giving some positive rep if you have not already. The third is to make one post on my thread. Not following all of the criteria will get you disqualified from the giveaway and I will check before the winner is messaged. If the winner has not done all requirements I will re-draw until I find someone who followed all the rules. One entry per user.
