Thread: [International Customs Prepaid Shipping Label](#)

Diamond Hands - August 22, 2020, 3:21 am

Hello!

I'm looking to Ship a big ass monitor from the US to another country

I'm looking for someone who can do me a legitimate label with all customs and duties cleared.

Let me know if someone can do this.

Will need some proof of previous shippings and will use a contract for this.

Paying good if successfull.
