I'd be willing to take a vouch and leave a review for you!

Warning: It will be a very honest review, so if this method is garbage, poor layout etc it will be in the review!

ExploitSystem - August 23, 2020, 1:55 pm

Sending over the vouches now.

IvanHK - August 23, 2020, 3:04 pm

If anything is left, I'm here:)

Lemme know when you open the thread. Ill make a vouch contract and take a copy. Dont give away vouches without contracts as they wont be obliged to give a review in your thread then.
