I love the images and the ways to get them, so I'm ready to start getting them all ?

I'm a fan of awards as well, grows your edick really shows them who's boss. Jokes aside it's nice to contribute back to the forums and receive some kind of recognition.

vyactor - August 23, 2020, 9:06 am

You gotta need some bunch of cash to have most of those awards if your profile.

Check this thread, it maybe could be of your interest:

Yha i love the award system on hackforums!

Some forums tried it aswell but its horrible there, memebrrs have 1k awards or some ridiculous amount lmao

Here is quite balanced in my opinion and also supports the site in many cases.

Some can be bought, some can be earned. Some are timed ones, its just great!
