Thread: [Looking for someone to buy a gift card for me.](#)

??????????Michael Kors - August 23, 2020, 2:06 pm

The purchase is about \$85. Unless you're in Mexico, the only way you can pay is with a PayPal account that has a credit card linked to it.
I'll pay you \$87.5 BTC if you can help me.

PM me.

I need this service urgently.

Started a contract with OP but the payment didn't go through. Apparently credit cards aren't accepted unless you're from Mexico (not sure about PayPal).

Use localbitcoin or paxful find someone buying BTC and he pay with PayPal from mexico
I stead he send you paypal ask him to pay for the card.
I used to do similar thing just in my case it was Japan.

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
