Thread: [What mod just deleted my post in the lounge?](#)

Raikou - August 23, 2020, 6:00 pm

its was better then 95% of the posts, the kid even used inspect element trying to scam me.
give me at least a reason of removal I'm sure ppl will find it entertaining

You already made a scam report, no reason to go and post another thread in the lounge.

If people want to laugh, they can click your scam report and laugh there.

ah okay, like where do you even find the scam reports to laugh at?

the lounge is full off garbage anyway

sorry man im really really frustrated wasted almost 3 hours dealing with probably an 8 year old im going for a walk at 3am my mad bro holy shit

The lounge is not allowed to be used for deal disputes. Dispute the contract and make a proper dispute if you have one.
