Any Cricket fans available here to discuss about upcoming matches, Player stats, other interested facts

And Indian premier league is also from 19th September too !

hoping that cricket will be added to sportsbook too

I've only watched people from the Middle East playing it in my country in parks. Don't have a clue how you play it and what's the goal. Would love to bet on some games once a learn the basics.

Cricket is the finest sport ever invented.

It's actually a very simple game - it's kinda like Linux, it's really easy to grasp the basics, and you can go as deep into as you want.

Let's see how it goes.

My advice is to see the IPL tournament !

it is starts from sept 19th

Bob the Builder - *September 18, 2020, 11:30 am*

its really great game, especially Pakistan vs India
