How much and what for?

Why don't you just post it in the thread instead of making us ask/send private messages...

Hi Lulzcat,

thank you for asking the question. I'm not posting the price because it depends on what hall of fame im selling, i already sold some here. Another reason why i dont post all details on public post is because to avoid issue with HOF programs.

Do you actually sell positions for \$200-400? Just out of curiosity, high demand?

Check the contracts, my clients prefer to stay anonymous when they buy HOF.

Additionally we can use MM to make a deal, for example @Zexi (<https://hackforums.net/member.php?action=profile&uid=2394729>) Helped us before and deal went very smooth.

I looked at the contracts.. None show any sales for this.. So please let me know of any vouches. I dont see any contracts or vouches here.
