Thread: [Kik/Snapchat E-Whoring Live Photo/Camera Roll](#)

ZuRR - August 28, 2020, 1:24 am

Hey Guys and Gals,

So I've seen that a lot of people have been using kik/Snapchat for their E-Whoring methods. Can someone share with my your "live photo" method or "camera roll" method I've lost a few customers due to not being able to verify myself and google only seems to have outdated tricks. Was hoping someone can provide me with further guidance :cheers:

I'm e-Whoring on Snapchat (not sure about Kik) and I use this:

This is only because I have iPhone, I've heard that android has free alternatives, but I'm not sure how they're called
