Having given this a read over I'll now leave a short and quick review:

Layout: 6/10

No huge grammar mistakes that I noticed, and fairly readable. Lots of large blocks of text however so zooming out is kind of needed, not a huge issue and the whole thing follows a fairly natural order.

Method: 7/10

Fairly average methods and normal traffic methods, but does contain a few "extra tips" that could be used and would be new to any new ewhorer to milk some extra cash. For the price point, you couldn't complain. However, don't buy expecting to get god tier traffic etc, you will have to figure that out later on to make it super consistent earnings.

Overview:

Overall a decent ebook for newer members who are looking to start earning, just keep in mind it will take work, is not autopilot and earnings will not always be very consistent. If you're new, check it out but for people who have done it before it will most likely all be relatively common knowledge/picked up from experience.

I will take a vouch copy if a apply, will leave a detailed honest review after testing this for a day or the time needed!

Thanks bro and Best of luck with sales!

Edit :__

So I recieved my vouch copy and I have to say it is brilliant!!

My Overall rating: 8/10 - I read through it and it provides everything necessary to make big bucks? So I have set everything up and already got some big fish interested with the tips provided.. Definitely can see earning upwards of 1000\$ weekly if everything runs smoothly which it seems it will.

Method is similar to one or two others but it has the SUGAR DADDY aspect with a few other tips to lure them that I have not seen anywhere else.

Descriptiveness/Detail: 10/10 - Everything you need to make money and milk the daddies is provided in detail and things I have not seen before have been included too!!

Uniqueness: 7/10 - I have seen similar methods however this one is fairly unique as it targets sugar daddies and also shows you how to milk them for a long time, better than any other I have seen!

Difficulty: 4/10 - This would only be difficult if you have no experience in ewhoring and speaking to guys to get money from them, you have to be a little persuasive and act like a girl of course..

Profit: 10/10: - You can only imagine ? I have not made my first profits yet but I know I am going to when I put some time into this just been a little busy with projects at my business IRL. But I can see profits of anywhere from 750-3000\$ a week.. even more I suppose but in my eyes I can see if you put some time and effort in that is what you can realistically make.. remember they looking to spend money on girls and spoil them.. they SUGAR DADDIES for a reason. ?

Thanks for the vouch copy my G , much appreciated..

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
