"You're wondering who I am..."

"Secret, Secret - I've got a secret"

I've got a secret I've been hiding under my skin
My heart is human, my blood is boiling, my brain IBM
So if you see me acting strangely, don't be surprised

I'm not a robot without emotions, I'm not what you see
I've come to help you with your problems, so we can be free
I'm not a hero, I'm not a savior, forget what you know
I'm just a man whose circumstances went beyond his control
Beyond my control, we all need control
I need control, we all need control

I am the modren man (Secret, secret, I've got a secret)
Who hides behind a mask (Secret, secret, I've got a secret)
So no one else can see (Secret, secret, I've got a secret)
My true identity
