I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

Hey I need an Scribd Account. Let me know if you have any.

XenBot - February 19, 2021, 5:52 pm

Are the scribd accounts shared? or what... I really wanna get one for my girl a personal account that lasts at least a month. But she has severe OCD where it needs to be only her on the account I bought her several SHARED ones off ebay and fiverr lol she won't use them because she is scared other people are on it....
