Holy fudge this actually really cool. Definitely gonna pick this up!

Squanchy - September 4, 2020, 1:46 am

In theory this looks awesome but it may not be as good as it looks. They need to make the rc cars really well.

Holly molly ?

Don't have enough time to play video games now, but God, I would love to try this !

VR and AR are really changing the game in my opinion, pretty sure we'll see more and more of those in the future

Bacardi Cola Lime - September 4, 2020, 3:34 am

I'm with it! Gave me good vibes! Of course I'll need to give it a go first.
