I have received a vouch copy and I can confirm this is a solid newbie friendly method. Everything is explained in short videos so its not hard to understand either. I cannot say I haven't seen this kind of whip in the past but its good and could bring you money if you apply it properly and be patient. You need to invest some money and time into this so do not expect magic spells for money spawning, but you can definitely make a good income out of this!

Overall: 8/10

You are receiving a nice product for a fair price!

Is this the same product as your gambling exploitation or is it something completely new?

Also, the screenshots above are dated back to 2016 ... Do you have anything with more recent proof that this is working in 2020?

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
