I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

On January 1, 2020, Salamander was released into the wild. It quickly found a soul mate in Swan. Some months later they had a child, Swan Live. Over a year later they are still in love and are looking forward to an amazing valentines day.

In celebration of Salamander and Swan's one year anniversaries - and Valentines day - some vital licensing options will be made available until and through February 15th.

Is the Instagram IBIS still working? Did the story method get patched? How many stories can you safely view per day?

Soralmabor - April 23, 2021, 4:16 am

I just ordered today but the snapchat swan live isn't available ? Is it normal ? I only took the membership for this...

EDIT : solved. Sorry for this post

ATERMAN - June 18, 2021, 7:50 am

DO NOT BUY ANY OF THIS STUFF! It is no longer supported and has gone to complete shit to be honest.

I never even got to use it.

So save yourself \$100 and do NOT get it!! I REPEAT!! DO NOT GET IT!

I will update this if Norm comes back to life.
