Thread: [Community Alert bluud uid=4707950 - A LOT of multis.](#)

Mr. Robot - September 5, 2020, 9:52 am

So basically yeah... I've even caught him before on this thread:

<https://hackforums.net/showthread.php?tid=5678690&pid=55442305#pid55442305>

These are all him. There are more but meh, too much effort. (Sorted in order of date)

Main names/usernames he relishes to go by, mainly due to electronic mail address sodality and how long he's been utilizing them.

cryptoyalty

eminemisstan

iubxtrickshots

Official945k

945k

HXLY

LiquidFireES

fadecloudv2

Wont post any of his personals but just so he knows... K P.

Prominent for endeavoring to infect HF members and is a currency purloiner.

Possibly this user also

<https://hackforums.net/member.php?action=profile&uid=4105842>

<https://hackforums.net/member.php?action=profile&uid=4806673>

OH guess I should post some proof to at least one - the rest fall in line after that.

Step 1.

Google discord:

"bluud#6621"

Step 2. [deleted]

Step 4.

Google "cryp#5853" (With quotations for exact matches) and click on an HF thread.

OxaByte - September 5, 2020, 10:04 am

damn, this user [bluud](#) is serial killer. LMAO

<https://hackforums.net/showthread.php?tid=6107303>

Well ya gotta do what ya gotta do.

OliverSc - September 5, 2020, 10:52 am

Good job buddy, thanks for this, bluud user already got banned as he threatened another user

<https://hackforums.net/showthread.php?tid=6107303>.

As it seems he got reported on nulled too.

I doubt that someone will survive without getting exposed by Mr. Robot?

Free Kurdistan - September 5, 2020, 11:01 am

Someone getting caught red-handed, woops.

Mr Exploit - September 5, 2020, 3:33 pm

Whoa! So he's a scammer & ban-evader then. Thanks for the warning!

BiggL - September 8, 2020, 4:15 am

Literally had no idea he was a scammer, seemed like a normal g to me until he vanished the other day.. only seeing this thread now too.. wtf

Driz - September 11, 2020, 9:15 am

I remember when he called me stupid for not wanting to deal with an user with Paypal
