Roytoy - September 6, 2020, 2:23 am

I'm interested in a vouch copy. Please let me know if I qualify. Good luck regardless.

After receiving a review copy and here's my review according to my own personal experience and opinion:

I'm overall very pleased with the ebook and I believe it's reasonably priced. I've seen many of my friends profiting from reselling items on the internet and always wanted to know the ins and outs of how they did it. This ebook helped me better understand the world of item flipping and I can say without a doubt that it does work and you can make money out of this if you put in the time/effort. I would say this works best for people who live in the US or Canada, but it can work in other countries as well.

Pros:

This is proven to work.

Big profit potential.

Valuable resources/links inside the ebook itself.

Cons:

You will need money to invest. (obviously) But it could be a small amount for small profit.

It's not automatic. Takes time/effort, but hey you're not manufacturing anything, and you can

automate parts of it.

You have to deal with people. (obviously)

Pages: 6 with multiple pictures.

Mind - September 6, 2020, 2:25 am

Interested in a VC if you deem me worthy. Thank you.

Zoomers - September 6, 2020, 2:25 am

If you deem me worthy i can take a vouch copy and leave my thoughts

I've given out two vouch copies already. However, I like how detailed your reviews are. So I'll give you one last vouch copy. Please open a contract.

Lozemlpsum - September 6, 2020, 6:40 am

(Sep 6, 2020 06:39 AM)Deadmau5 Wrote: [\[CITE\]](#) I've given out two vouch copies already. However, I like how detailed your reviews are. So I'll give you one last vouch copy. Please open a contract.

Lozemlpsum's Review of the ebook; "[#1] RESELLING GUIDE ON HF ==> [EARN \$109.3/DAY] <== *UNSATURABLE*" written by [Deadmau5](#)

Design:

To start with the design, it's an easy to read ebook. The pages contain some images which makes it clear what the topic is about. Each part of the method got a related image and clear content. The layout of the ebook is good enough to read without having issues understanding what you are about to learn.

Content:

Grammar seems perfect, especially for a non native English writer. Each part of the ebook got it's own layout, summary with important notes and/or clickable URL's for images and examples. The content seems reliable which means it's not something made-up or fraudulent. Again, it's easy to read and 6 paged long with some images.

Quality:

The quality of the ebook is pretty great. Tips are added, including prices and sources, particular examples and certain additional information that is really useful to get started or to save some time when working on this. The content is not really new, as I heard about it before, but one thing is sure.. you will make profit with this, and a lot if you take things seriously.

Although the content is not new itself, it sure is useful for those who aren't lazy to work for their money. Once you use certain tips in the ebook, it will go easier and much faster for you. I did not test this myself, but I saw profits of friends which proved to me it did work in the past and that it will work for the future.

Price:

Although I think \$30 is pretty cheap for this certain method, when you think about the profits that can be made.

I would recommend to buy the one-on-one support, especially if you have a hard time setting things up, as it could be confusing for some people that aren't familiar to e-commerce or selling things online. I would price this at \$50 for the basic pack and approx \$75 for the one-on-one support.

Overall:

The price-quality ratio of the ebook is amazing. Although the method is not new, there is a lot to learn here.

I would increase the price of the ebook packs, as the potentials are well worth the investment. You do however need some investment money to get started. The content is well written, images are included and clickable content, are all part of making this ebook a great read.

Thank you for giving me a Vouch-copy and good luck with the sales!

salesguy77 - September 6, 2020, 11:24 am

So do I have to set up a eCommerce store or?

EBOOK REVIEW | BY AUXR

[\[#1\] RESELLING GUIDE ON HF ==> \[EARN \\$109.3/DAY\] <== *UNSATURABLE*](#)

Overall Rating

?????

General

This ebook is focused on the art of reselling. For those of you who do not know what reselling is, it is simply purchasing a particular product for cheap & selling it for a price higher than the initial price & making a decent profit. Reselling is the most basic business model in my opinion & hundreds if not thousands of people use it. Why? because it is easy, it works & it is stable. To be honest, you don't need a guide/ebook or anything to start reselling - only a brain is enough. However, due to the very serious competition in the reselling scene, you have to adapt new & unique methods to stand out from every another reseller in the market.

This is where [Deadmau5](#) 's reselling guide comes in handy. The entire ebook is very short at on 6 pages. However, these 6 pages are filled with clear & concise information without any BS. Hence why the ebook could be compressed to just 6 pages. There are many images & screenshots attached to the guide making it very easy to understand and follow. In general, the ebook is very well constructed. That being said, there are a few areas which need further improvement & I will get to them later.

The Method

This ebook has a single method which focuses on reselling apparel & shoes mainly. Due to the nature of the guide, I cannot reveal much of what's written, however, the method works much better if you make an investment apart from the product which you obviously have to buy. Overall what I can tell you is that this is a very solid method which I have not heard of & cannot be saturated quite easily.

Value for money

For just \$30 for the ebook alone, this is an absolute steal. You can easily double or triple your investment by a single resell. Further, it is clear that the ebook has been written with effort - unlike a crappy google doc written in five minutes.

Final verdict

If you read this far, I'm pretty sure you know what my verdict is going to be. If you want to get into reselling & make good profit, this is the ebook for you. End of story.

Further improvements

Break the paragraphs a bit more so that it will be easier to read & make the structure a bit better.

The images used as titles are unnecessary & uses a lot of valuable space in my opinion.

Thank you for providing me with a vouch copy. Best of luck!

Lickitup - September 7, 2020, 1:20 am

Is this ebay/amazon related? Also where does it work, what would i need and how will i purchase the products? Is this dropship style or we have to own the product in order to sell it?

Deadmau5 - September 7, 2020, 2:17 am

No, it's not eBay/amazon related. it works anywhere in the world. However, it would be the easiest for people from the US or Canada.

You're just gonna need a small investment. You have to purchase the guide to know how you'd be purchasing the products.

Also, it can be done dropship style & by owning the product as well. However, what I've covered mostly is by purchasing the product yourself and then reselling, as this is easier in this case.

The Director - September 13, 2020, 11:53 am

Possibly interested, is there a waiting time to get the supplies or is there any difficulties that would abstain me from executing this method?

TheBlueSuede - September 21, 2020, 8:39 am

Are we buying stuff from AliExpress or similar sites where we'll need to wait weeks to receive the product? Are they counterfeit/knock-off products, for example fake Jordans?

Yessir. That's the point of this.

Deadmau5 - October 20, 2020, 11:01 am

It's sad how most of the people on HF fall for dumb overnight income methods promising to help you earn within 24 hours or a few days rather than try out a method that is proven to work with some effort.

SIM-4743683 - October 28, 2020, 2:47 am

I have some questions regarding this method! Could you send me a PM with your Discord name so I can add you?

PMed you with my Discord. Would be happy to answer your questions.

SIM-3142817 - February 19, 2021, 5:31 pm

Will these be digital items we'll be reselling ? I'm asking this because I see that you said you can start with as low as \$10

Deadmau5 - February 20, 2021, 5:14 am

(Feb 19, 2021 06:31 PM)uptownslim Wrote: [\[CITE\]](#) Will these be digital items we'll be reselling ? I'm asking this because I see that you said you can start with as low as \$10
Not digital, physical.

One of the techniques/methods can be done with a really low investment.

Stanley - February 28, 2021, 12:02 pm

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
