Just a reminder to never do deals on Discord without contracts, or at all.

The discord he is using is Squanchy#2718 but may change. Avoid all contact with him.

nah it's not hard to quick flag these type of users. They all do the same process.

Join -> Buy into couple groups -> Do \$XXX contest which last 1months -> Start selling "Private methods" -> exit scam or in this case, try to scam after he got closed.
