I just bought Nike SB Dunk Low StrangeLove Skateboards (Special Box) size 10

Paid ~\$420 for them. Brand new with box and all.

Here is a link to the shoe on StockX:

Anyone have any advice for reselling the shoe? Should I sell on StockX, locally, or ebay? Stockx looks promising, but I am skeptical.

I used to do this for quite some time. Take a look at this.

I'd just sell that on stockx, looks like a very good flip.

You might just wanna sell it locally since you could do cash but online people might try to finesse and say that your shoe fake

Where did you pay \$420 for them? Can you provide pics? Those shoes never went for that low of an amount especially not with the special box. I think you may have been bamboozled, feel free to put pictures up and I'll compare.

I'm pretty sure there is a group that did or does that deals with the retail game that can help you out.
