Thread: [when you thought video game parkour was unrealistic](#)

EbonCipher - September 8, 2020, 10:48 am

yep assassins creed is real, im convinced

[Video: <https://www.youtube.com/watch?v=yUn-mRa9FC0>]

Prepper - September 8, 2020, 10:51 am

Yea pretty interesting but there is no way in hell I would attempt that shit, me and heights do not mix.

Yea but the things these people do 1 very tiny mistake and it is over. Not worth it imo.

A + - September 8, 2020, 11:23 am

I would trip if I looked out a 3rd story window and saw a guy climbing up it like it's nobody's business.

Tensei - September 8, 2020, 11:40 am

Can you just imagine tripping balls and seeing this guy pull some assassins creed shit? I'd lose my mind

NoWonderP - September 8, 2020, 11:40 am

Reminds me of the movie "The Yamakasi"

SIM-4033767 - September 16, 2020, 9:36 pm

idk that's just weird dude, I wouldn't risk breaking anything for a yt vid
