Thread: [Infamous contest - Bastille || Win L33T - UB3R or 25\\$ worth award || 1 Winner](#)

Bastille - September 10, 2020, 5:38 am

THIS CONTEST IS BROUGHT TO YOU BY INFAMOUS

As some of you may know, I spend most of my time in the White Hat section fighting malware, enhancing the security of your computer, and contributing to the community sharing knowledge, recommendations, and experience to help you stay safe while browsing the amazing Internet.

Infamous recently started a lot of giveaways for members, and I thought : Why couldn't we merge the useful and the pleasant?

Do you want to earn some rewards and make your computer thankful ?
?Take a look below?

We will be doing one of the following

Upgrading a normal member to L33t

Upgrading a L33t member to Ub3r

Gift you an award worth max \$25

Please read the following requirements before entering the contest

Requirements

- ☐ Must have at least 50 posts
- ☐ Must not have any deal disputes
- ☐ Posting multiple times is an instant disqualification from this contest
- ☐ Must not be an ewhore

Is allowed to participate in other Infamous contests if not won before. Once you have won one you are no longer allowed to enter other contests we host.

How do I participate ?

?Just run an AV scan and share a screenshot of the result to see how dirty your PC is ? (don't hesitate to delete trash things, it's also the purpose of this contest !)?

You want another entry ?

?Run ADWCleaner to get rid of unknow web browser extensions and post the screenshot?

Choose your weapons soldier
(if you already have an AV you can run it as well, Malwarebytes is not an AV!)

[Bitdefender](#) **__** [Kaspersky](#)
__ [Sophos](#)

[AdwCleaner](#)

DISCLAIMER

- Take care about what you delete on your computer, if you have any doubt, feel free to open a thread in the White Hat section

Be careful, if you share screenshots of AV results, some of your folder's name/file's name could be shown, hide them if it's private

If you need further help, please feel free to open a thread in the [White Hat section](#)

The winner will be chosen by random.org.
The contest will end on [29/09/2020].

Winner: @Obsitone@

Good luck my little malware fighters ?

Can't see the screenshot, please take a screenshot at the end of the scan with the results.

You can use imgur to share your image, don't double post, edit your current post

Unfortunately, my windows defender is not working well :(
so I used free AV to scan it.

I'm entering my buddy contest !
I scanned my PC with sophos home (installed for your contest only)

This sophos detecting my cuckoo sandbox as malware haha
No issues other than on my PC

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
