LOL hard pass. I've seen it a while ago and it disgusts me tbh.

I would hate to see what their house looks like.

Looks like your average HF member car.

Dragon_One - September 11, 2020, 8:06 pm

The van shouldn't be cleaned at all, it should be lowered into a pit of hot molten steel and smelted down.

Bro, this is ridiculous. How is it possible that anyone leaves his vehicle turn into this mess?

PokeBong - September 12, 2020, 4:30 am

Takes a specials kind of person to live in filth like this.

Dragon_One - September 12, 2020, 3:41 pm

I'm guessing this van is owned by a family who has like 5-6 young children.

No adult would make that kind of mess.

incorrect: the average HF member does not have a car.

omg, it makes me want to vomit. thanks for ruining my day.. lmao

Purvert - *September 20, 2020, 8:38 am*

I've seen a car filled to the passenger like that, I can't imagine living it.

The cleaning process is oddly satisfying and unpleasant at the same time.

I'm pretty sure I seen a maggot crawl at around the 14 minute mark.

I do cars like this all the time.
