Thread: [Lost \\$500 with Coinbase Commerce](#)

OxaByte - September 12, 2020, 3:00 am

Hello,

Since past few months whenever i get payment through ETH , the balance get disappeared from my Coinbase Commerce account. Happened with me many times.

3 days before my customer sent me \$300 of ETH , and today i checked my coinbase commerce account and i dont see any balance, The transaction is already confirmed.
