Thread: [MAKE \\$1000 A DAY WITH THIS EMAIL LIST \[LEGIT WAY OF EARNING \]](#)

mattmj - September 13, 2020, 12:13 am

Hello everyone,

I have 100k Email List in making money online Nich.

Its verified and all emails are active.

Its USA based emails.

I used it for more then a year and i make \$1000 a day with this Email list.

I know there are alot of people who are charging \$600 or \$1000 of Dollars for 100k email list, I am not like them i am just selling this for \$180 if any one wants it.

you maybe asking why i want to sale this email list if i am making \$1000 a day, let me tell you i want we both make money with this email list because i know how it feels when you struggle to make money, i have been in that place.

I want to help as many people as i can even if you dont have \$180 just PM me or comment and tell me how much you have so i can help you.

30k monthly? And who the hell even sells 100k emails for 100+ lol

Too good to be true, I'll pass. Unless you accept middleman and tell me how I can make \$1000 daily.

I do not understand, how can use this to make money? also do you really make 30K USD per month using an email list, I find that hard to believe, please explain more.

do you have the original data file?

digitalbears - September 28, 2020, 5:08 am

If you explain a little more what you are selling and how to make money with it, you might get more and great results selling.

Have a nice day

Could you show some payment proof?

Hellfire69 - September 29, 2020, 3:18 pm

Ive seen people on markets such as empire and dream offering email combinations and stuff. Never

understood how you profit from it though. Op please do explain a bit further
