damn bro that's some good shit fam, u be flipping shoes?? good hustle .

Purvert - September 17, 2020, 12:47 am

Like, Yard said, flipping shoes.

Nice watch though, I don't know much about them honestly.

Flipping shoes worth it, does it take an extended period of time, do you sit on pairs without making profit when no one wants to buy them?

Good to own something like this. But in my opinion, you should invest your money to earn more money to buy more of these things.
