Thread: [\(Userbar\) Design Request](#)

Lorem Ipsum - September 15, 2020, 6:05 pm

Hello there!

I am in need of an Artist that can design my Crew's Userbar!

What do I need;

- > A portfolio where I can check your previous work and style of art
- > A minimum price you would charge for this (round it up by \$10)
- > Duration of the art to be created, 1 - 3 days, 3 - 7 days, 7 - 14 days, 14+ days.

Do not make a Contract without contacting me first. I'll deny it anyways!

Chat with me on Discord (HF verified), Conversation, PM or just leave a post.

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
