Funds would be sourced from my debit card (cash), I could also offer Zelle.

Not buying for few days

Slowly restocking, got a little bit of Venmo available. Should be buying BTC via all methods listed in a few days.

I only go to first real trusted, you can cover the middleman fee if you do not want to go first.

Don't get offended if I deny to deal with you, I rather preserve my accounts than take sketch deals.

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.
