Thread: [VCW 2020 tutorial?](#)

amp. - September 20, 2020, 8:20 am

just looking to see if theres any demand for this type of information. 90% done with ewhoring for life here, so why not share all my methods to the community. everyone is spamming free poo poo packs for the +1 rep anyways. it doesn't involve flash player and has gotten me hundreds of adds a day.

soultech - September 20, 2020, 3:57 pm

Same happened a few years ago with Camdecoy and Camtrix, they were excellent until someone leaked their vcw then they stopped releasing new products. I think Camtrix is Darkwin + Electrode (I'm not sure).

It is not easy to make a vcw, it takes about 1 month to make one, just try to make such a video and

you will see (especially if you make about 30 - 40 actions).

Try to contact Electrode or Money- maybe they are still doing VCWs.

I was mostly talking about the girls themselves. Camgag vcw's have a lot of actions but all the girls are butt ugly. Just blows my mind that no one is selling good looking women.
