A legal contract will be placed, as well as a joint bank account, and if customer wants everything lowkey (no legal stuff) i have other methods (which may vary, where ever the model & customer is located) to which i do not disclose to give out.

Im in the agency business, trust me this isn't as complex as it seems.
there's many loop holes for everything.

so you're saying these two random accounts asking for model previews and vouching for you came back after 1-2 years of being inactive with no b ratings at all?

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
