What in the literal poop is this. Did you purposefully make the images hyper LQ?

iRyanOG - September 22, 2020, 10:02 am

I actually like this thread.. It had brightened up my day and made me laugh.

Good work detective.

Just some word of advice.

When you call out a well known/liked member on here for something kind of ridiculous, then expect there to be some sort of repercussion from it. Also popularity on here doesn't mean too much to many users. There is a report button for things that you think might be against the forum rules including spam. Next time just report it and explain to the mods what is up and let them handle it. This won't be the first time you will see someone making short posts and getting around the 25 character limit.

Anyways I'll give you some positive popularity for this thread.. I liked it.

Prawnster - September 22, 2020, 10:08 am

very high quality thread op, highest quality thread ive seen in lounge for a while, keep it up please.

This is actually utter trash. There's no value besides being comically bad.

Ultras - September 22, 2020, 10:13 am

This is the weirdest yet funniest thing I've seen in a while. Since when does a low thread count mean all your posts are spam?

Simplicity! - September 22, 2020, 7:52 pm

Lovely! Are you by any chance working as a police detective irl?

PokeBong - September 22, 2020, 8:30 pm

So I guess the community consensus is that we need more investigations into negative rep?

Yes, I believe it is.

Not sure if the cases will be as thorough as this one, but we know where the bar will be set.

Bob White - September 22, 2020, 8:46 pm

I mean, I would hire the guy just based off this thread.

Lindros - September 22, 2020, 9:02 pm

This thread made me laugh. You some kind of detective?

Snowwy is basically guilty of a hate crime.

jecoylecroy - September 23, 2020, 12:35 am

This OP is dangerous. And he is really serious in his works.

Bet you watched too many Sherlock and CSI serials lol. This is hilarious. My 24" monitor cannot even display the screen shots clearly.

The real detective is here in HF.

I don't know about everyone else, but I for one think this thread undeniably proves that HF is being ran behind-the-scenes by either the federal government, the Illuminati, or both. Certainly some sort of conspiracy going on without a doubt.

Zero - September 23, 2020, 10:40 am

Some high quality investigation. I might hire you for some jobs.

hfrocket1713 - September 23, 2020, 10:51 am

YikesAu - September 23, 2020, 11:49 am
