Thread: [Looking for Getting Started Becoming a Master {Tried google dorks}](#)

Jessica1q - *September 23, 2020, 6:23 am*

i have been looking for this book Getting Started Becoming a Master Hacker: Hacking is the Most Important Skill Set of the 21st Century! using all kinds of google dorks didn't find Any
If anyone got this pls let me know glad to hear . Its important book every one should look before gettiing into hacking
