Thread: [how can I make money from older dudes?](#)

WhoDatBoi - September 27, 2020, 5:28 am

So I have a couple older dudes who are like 45 messaging me. They don't have snapchat and I don't think they are interested in downloading it. What are some ways to make money through older dudes?

How did they contact you and why can't you use that same method to contact them?

I suggest you take some time to learn everything about ewhoring before you start doing it.

The answers are in this section.
