Thread: [Grab your custom mousepad Now as low as 0.99\\$ -Free shipping worldwide](#)

CheersFile - September 28, 2020, 2:05 am

I ordered a custom mousepad from this site 5 days ago and its really cool, I actually have 3 of these now! :)

Cool huh? You can post any picture/design of your own choice on it!

Grab your mousepad now before the deal expires,

Enjoy! ?

The old artscow mousepad deal was one of my favorites, and it lasted sooooo long. Hoping this is just as good quality, thanks for the share mate!

Domain suspended and all broken images in the thread?

Super cool!

Lil funny story:

10-12 years ago I found an exploit to get free personalised mouse pad, I ordered like 3-4 for my parents and I (the type of shit you offer when you a kid) and my mom saw that package with my name on it, she literally destroyed my *ss thinking I ordered these with her CC. Ouch ?
