Thread: [Are genesis.market invites allowed to be sold here?](#)

Psychedelic. - September 28, 2020, 5:45 am

Genesis.market invites are needed to register and I have a decent source of them. Are they allowed to be sold? I saw @hermes was selling them for \$225 (absurd price) but I just want to know if they're even allowed to be sold. Of course they can be used for legit purposes.

Let me know!
