I know man haha, I always find it funny how they always get mad at the shop owner for finding out that they are stealing.

Malthemar - September 30, 2020, 11:16 am

I got one minute and 40 seconds in and I had to stop.

This makes me cringe; the thief thinks that he is so cunning.

Thank god the commentary is funny, or I would've stopped the video sooner.

It's these types of people that make me lose faith in humanity.

Its mind blowing how stupid some of them are. Sometimes they honestly think they've gotten away with it and its so funny.

Charybdis - September 30, 2020, 11:20 am

Lmao I have seen these videos. If you have Instagram, look up @cartnarcs. Pretty comical stuff

That guy really thought he was being discreet.

And oh lord.. "I KNOW THE LAW" coming from a thief. No comment man.

As if these same people never once watched a video compilation themselves, or even television and just observed how those other folks were caught.

No common sense whatsoever.

I love the sarcasm in his voice when he talks about the thieves

Sliceoul - September 30, 2020, 2:30 pm

Bruh how the fuck are you gonna steal sandwiches smh

Hero0o0 - September 30, 2020, 3:02 pm

Lol. Going to jail for rub a sandwich

Hitler - September 30, 2020, 5:31 pm

Gas station encounter videos are so corny, and I hate the guys voice.

Disease - September 30, 2020, 6:30 pm

I've binged on these when they show up in my Facebook video feed. I like the guy's sarcasm- it's my kind of humor. The idiocy of these people cracks me up.

jecoylecroy - September 30, 2020, 9:34 pm

No way, how can a guy afford an expensive car and can not afford to buy sandwiches. I think he might have a disorder.

he is a youtuber known for these steals in this shop but I suspect that 3/4 of the steals are wrong ... too many steals for such a small company .. statistically it's nonsense ??

True. I stopped, too. I haven't watched any videos of this kind, but this is hilarious. I just didn't continue because thievery is thievery no matter how you make it sound. And why did he stole sandwiches? I think he can actually pay for it.

Its crazy to me how someone can't even be bothered to pay for something less than \$5.

HackingGames247 - October 12, 2020, 11:03 am

That was pretty funny, too obvious.
