Thread: [Botnet startup](#)

SIM-4845328 - October 1, 2020, 1:56 pm

Hello.

I am looking for someone who is willing to invest the time in setting up a botnet.
Will be willing to pay for the servers and such.
But you are required to set it up.

You probably shouldn't go with B4stard, since he has a bad reputation here on the forum of being a very bad seller. The other guy sounds nice.
