My man, I'd recommend you to make "make sure to check my bytes to make sure im in stock." a bit larger in font.

It's hard to read on mobile and could be confusing.

If you want, I could give you the layout of my (now closed) sales thread?

Sent you a PM.

Also, please check the thread's title, it says ByteShp, instead of ByteShop :-)

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

Is that Screenshot under your rates, what you have in the Vault? If so I will start a contract now.
