Spoiler ([Click to View](#))<>

She's my crush even before the very first time I've seen her on Harry Potter, whoa she is so damn pretty :D

I guess I can humbly say that I am a good looking person that is pretty much compatible to this amazing Emma Watson :D

Free Kurdistan - October 6, 2020, 10:20 am

Already repped so QL'd and posting to enter - thanks for hosting mate.

My celebrity crush is Emilia Clarke for sure. I would date her because her accent is lovely and she's stunning. I'm compatible because I'd make her laugh and laugh with her. Sounds cringe but oh well.

jecoylecroy - October 6, 2020, 6:32 pm

Actually, I like Emma Watson but brother [Yanix](#) have it so would go to my other crush

Here is :

I like this celebrity because of her eyes and she is sexy. Maybe dating her is not a good idea because I'm shy towards girls. :D

Thank you, OP for this event. Done the QL and I already added you popularity before. :D

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
