There are multiple vouches on this thread with relatively new accounts that are now inactive.

First Vouch:
(No Contract)

Second Vouch:
(No Contract)

Third Vouch:
(No Contract)

Not to mention the multiple disputes he has open.

Obviously don't do business with this user but since I couldn't report the posts I decided to make a Community Alert.

There's a lot of fake vouches/no contract. He is not the only one.

I saw it yesterday too, I don't know why he is not banned yet... thought every transaction related to HF must be contracted.

Staff and Admin are aware of his thread and the vouches. Just to let you know.

Honestly if you have a decent service you shouldn't need fake vouches ... it's really not that hard ?
