Thread: [Guaranteed Lots Of Traffic To Your Ewhore Snap or Kik With My Method](#)

Chitogebestgrill1 - October 10, 2020, 1:14 am

I have a method that I can guarantee brings amazing traffic to your snap or kik accounts. I'll be selling this method for 30\$ as I can confirm it will give you good profit.

I know I'm a new member so my trust is low but I can assure you that this is legit and I can provide proof of adds and earnings with my method.

DM if you're interested.

Theres alot of difference in 'traffic' and 'HQ traffic'. If you're giving out vouch copies, let me know!

If you would like a reliable and dependent review, I'll take a vouch copy if there are any still available.
