OP gave me a vouch copy for 1 backlink and will get it done tonight, will let you guys know my honest thoughts about this :)

OP finished the job extremely fast, the backlink is very strong as well (the stats speak for themselves), and compared to the competition the pricing is very fair. I recommend this service, it's simple, fast, and very cheap. Good luck with sales!

Stanley - September 3, 2021, 4:12 am

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
