Thread: [Why you choose your username?](#)

Elue - October 16, 2020, 2:31 pm

Interested to see why!

I just choose random name

N - October 16, 2020, 2:34 pm

Pretty straight forward just my name with the x's instead.

zerocool - October 16, 2020, 2:35 pm

I didn't, mine choose me!

Scoppa - October 16, 2020, 2:36 pm

I've also choosed it randomly ?

Xerotic - October 16, 2020, 2:48 pm

I went through a list of words starting with 'x' until one caught my eye. After a few years I capitalized the 'X'.

Deany - October 16, 2020, 2:49 pm

Just a cutesie nickname of IRL I guess

Sizzle - October 16, 2020, 2:52 pm

I just thought of it last night when I registered. Either sizzle or frizzle, decided on sizzle. Curious to see how it goes.

Hitler - October 16, 2020, 3:06 pm

Because Hitler is a dictator, much as I am a dictator on these forums.

I rule these forums with a iron fist, and when I get competed I blow my brains out with a PPK.

Dule74 - October 16, 2020, 3:16 pm

Dule is a nickname for the name "Dušan". 74 is just a random number.

Corruption - October 16, 2020, 6:24 pm

Honestly, I don't even remember why I named myself like this, but I very much like my username and don't think I would change it anytime soon.

Any reason why a list starting with X?

Yanix - October 16, 2020, 6:54 pm

My cousin used to call me on this nickname so I just get used to it as well :D

ItsMeFox - October 16, 2020, 7:21 pm

Chevy - October 16, 2020, 7:36 pm

Well, my original name was Mystery Oreos, and it was going to be my alias for streaming.

Then I decided to go with Chevy and the logo fit for my avatar.

A + - October 16, 2020, 7:57 pm

Gotta be an over achiever, 110%

Disease - October 16, 2020, 8:08 pm

It was my opinion of the users on this forum when I joined, lol. I had been shown a thread here, in the coding forums, and the posts were just toxic and awful. People talking about aspects of programming they clearly didn't understand. Just very cringey.

To be fair- I never intended to stick around.

... that was over ten years ago.

shakur123 - October 16, 2020, 8:21 pm

Its been the same since im on the internet, no need to tell you i was a huge hip hop fan ;)

All I knew is that I wanted a name that started with "x". No particular reason. "xerotic" was visually appealing to me. The word - the condition is horrible to look at.

Jinu - October 16, 2020, 9:08 pm

I have no reason because it is a part of my name. Later, I could see many funny and interesting names on HF. Luckily, the special characters have now limited the forum.

Also, wanted the name to be more -erotic? ?

Because a byte is great. Lol.

Chevy - October 21, 2020, 3:11 pm

Well, my original registration username was Mystery Oreos.. which was my alias for streaming.

But I've changed it to Chevy so it would seem a little less childish, lol.

mine is my nickname which i used twice in my username...

Regulus - October 22, 2020, 1:43 pm

Here's some information on why I chose my username. It's pretty far-fetched but I love it. :)

1. Regulus = A pretty known star in space which is the brightest star in the constellation Leo and one of the brightest stars in the night sky as well.
2. The star also has the nickname: The star of the lions.
3. Lion = Is my zodiac sign as i'm born in August.
4. The star is blue = My favorite color is blue.

Info about it: Regulus is a multiple star system composed of four stars that are organized into two pairs

That's why I chose it. Read more here: <https://en.wikipedia.org/wiki/Regulus>

?ystem - October 24, 2020, 7:38 am

Well, I originally started off with the username SystemCrisis because I felt it was entirely relatable to how I viewed myself at the time. Then after some time and bouncing around other username alternatives, I finally came to hyphenating my username to just System because I loved the sound of it and because it's what everyone online calls me.

KieloN - October 24, 2020, 8:09 am

Cooligan - October 24, 2020, 10:13 am

I didn't choose my username, Omni did.
Well, I guess I "chose" it after he suggested it I should say..

Back in 2013 I donated for Emerald Donator and back then you had to PM Omni for a donation award purchase. During our PM conversation I mentioned that I needed a new alias as the one I was using I didn't like that much. He then suggested "Cooligan" and I liked the way it looked and sounded so I chose it and kept it and I'll never change it now. Have had this username for 7 years now.
